Thanks for the 'Day'

We would like to thank the citizens of Appomattox County for attending Appomattox County Day at Lynchburg City Stadium on Sunday, May 23. We have always said that we have the best people in the world and we really do.

If it had not been for you, our day would not have been the success it was. Thanks to the Times-Virginian newspaper, to WTTX and to the Lynchburg Mets for sponsoring this day.

For those of you who couldn't attend, you missed a good ball game between the Lee Theatre Green Sox and the Officials of Appomattox County and Town; the Green Sox won.

Thanks to all the merchants who gave tickets to all of us. John Curtis Caldwell could not attend but we are sure his thoughts were with us as ours were with him. John is a fantastic person and he really did a lot for baseball in Appomattox. Crawford and I will always be indebted to him. We were glad to have Vivian Caldwell and Jack Caldwell with us.

We think we need to have more days like this where we all can get together for fun.

Four of our County Officials attended the ball game but did not play. We would like to recognize them now; Mrs. Barbara Williams, Mrs. Ida B. Campbell, Mr. Horace Coleman, and Dr. S. R. Lawson.

Appomattox was well represented. I understand our officials want to play another game because the Green Sox beat them.

Last but not least, thanks to Dave Johnson of WTTX who was Master of Ceremonies. WTTX is always on the scene doing a good job.

Sincerely,
Crawford and Dot Davidson
